

Credit by Examination

This guide lists the degree requirements and courses at The Christ College of Nursing and Health Sciences (TCCNHS) and their predefined equivalent score per the College Board Exam: Advanced Placement (AP), College Level Examination Program (CLEP), or International Baccalaureate Program. **Courses in blue can be taken at TCCNHS and their equivalent test scores are in red.**

This is an unofficial guide, and courses and their equivalent are subject to change. The Registrar's Office at TCCNHS will conduct an official review by evaluating and awarding transfer credit after a student has been accepted to the program. Standardized exams may be taken for academic credit, the credits are transferred and are recorded into the total earned hours. Awarded credits are reflected on the student's TCCNHS transcripts; however, they are not reflected in the student's grade point average (GPA).

Advanced Placement (AP)

To be awarded college credit for Advanced Placement courses taken in high school, a student must obtain a predefined equivalent score of 3 or higher per the College Board Exam criteria.

For exams taken through the College Board the credits are transferred to TCCNHS and are recorded as total earned hours.

TCCNHS reserves the right to change, at any time and without notice, the criteria for awarding Advanced Placement credit in any or all subject areas. For more information go to: <http://professionals.collegeboard.com/testing/ap/scores>

College Level Examination Program (CLEP)

To be awarded college credit for successful completion of a CLEP exam, a student must obtain a predefined equivalent score or higher listed in the table below per the College Board Exam criteria. For exams taken through the College Board the credits are transferred to TCCNHS and are recorded as total earned hours.

CLEP courses and exams are subject to revision on a yearly basis. Therefore, TCCNHS reserves the right to change, at any time and without notice, the criteria for awarding CLEP credit in any or all subject areas. For more information go to <http://clep.collegeboard.org>

Analyzing and Interpreting Literature	Score of 59 or above Arts and Humanities Elective Credit (3 hours)
College Mathematics	Score of 57 and above General Elective Credit (3 hours)
Humanities	Score of 55 and above Arts and Humanities Elective Credit (3 hours)
Precalculus	Score of 61 and above College Algebra Credit (3 hours)
Social Sciences and History	Score of 62 and above Psychology or Sociology or Social and Behavioral Science Elective Credit (3 hours)
Calculus	Score of 64 and above College Algebra Credit (3 hours)

International Baccalaureate Program (IB)

To be awarded college credit for International Baccalaureate Higher Level courses taken in high school, a student must obtain a predefined equivalent score of 4 or higher per the International Baccalaureate Higher Level examination criteria. For Higher Level examinations taken through the IB Program, the credits are transferred to TCCNHS and are recorded as total earned hours.

TCCNHS reserves the right to change, at any time and without notice, the criteria for awarding IB Program credit in any or all subject areas. For more information go to <http://www.ibo.org/informationfor/alumni/transcripts/>

The information on this guide is based off the catalog requirements posted in the 2021-2022 The Christ College of Nursing and Health Sciences catalog as of 5/30/21. All information is subject to change without notice. Students are responsible for tracking their degree completion on their Degree Audit and are encouraged to work with a TCCNHS Academic Advisor in their degree planning. Courses are subject to availability at each institution.
